1. Bob Amory buzzed me to say that as a result of a conference which he and Dick Bissell had yesterday they felt that we should press the Director to put in for our auxiliary building during the next session of the Congress. They also believed that we should go ahead and take over the [REDACTED] I told Bob that inasmuch as we have an option on this building which expires on 15 April, we must move very fast if we are going to retain it. It is to be discussed at the Deputies' Meeting tomorrow morning. H 25X1A

3. I have asked Jim Garrison and [REDACTED] to prepare as soon as possible a paper which would clearly justify the need for the auxiliary building. H 25X1A9a

4. Jim Garrison is having a Logistics Seminar [REDACTED] in May and asked me if I would give a brief talk. I agreed to do so and he will furnish me with a suggested topic later. 25X1A6a
